Extras are charged termly unless otherwise stated. A term's notice is required to discontinue extras. In the Michaelmas term of a pupil's first year at the school, half a term's notice may be given to discontinue extras as at the start of the next term.

Musical Instrument Provision and Hire: Where an instrument is required as part of the School's music curriculum and provided to enable participation in taught lessons, the charge represents classroom materials closely related to education and is treated as VAT-exempt. Instruments provided on an optional basis, for extended use, or where pupils may reasonably provide their own, are treated as a separate hire service and are subject to VAT at the standard rate.
